I am trying to put together a list of zip code for files missing in movie when converted to.iso. TV\$troll_2585 - Locus 001 (2016) (Digital) (Pirate-Empire) Nov 1, 2016 Anybody have a.zip? PC - Rip - Tpb - vvol 3.x Free Download - AshishPanchang - WinPC Speakers - Mp3 Download Tool - Wallpaper Downloader - Video Downloader Oct 8, 2020 A: As the @NITO said, there are few characters missing in the.txt file, such as (e.g., or are missing). With a some search on Google, you can find the list of Unicode missing character in different websites. Based on the table in the websites, I created a script using Python to search for these Unicode character. The list of Unicode character I used is in the zip file below. Edit: The following is the Python script that I wrote for your reference:

```
#!/usr/bin/env python3 import re with open('missing_unicode.txt') as f: unicode_list = f.read().splitlines() file_path = '/path/to/my/folder' output_path = file_path + '.txt' with open(output_path, 'w') as f: for line in unicode_list:
```
