Eboot fix 3.55 god of war collection volume 22 MGS4 - 3.54 - 3.55 - 3.41 fix. - mkk\_blue 10/22/08 - NEW Version.  
ps3-hddfusion.7z. This is a post that will document my experience getting the new PS3 HDD Fusion working in the CFW 3.55 (along with help from someone else). This will be an update to previous posts. I have decided to do this because some of my original posts will be outdated if I do not update them. I will leave this thread in the PS3 Hacks section. I will not change the forum description to be "PS3 Hacks". I may remove some of the old comments because I do not like keeping stuff I've already posted here. If you have any questions about this process, please contact me via the Report button in the bottom right of the page. God of War Collection Volume II - Call of Duty: Ghosts - God of War Collection Volume II - Medal of Honor War Fighter - God of War Collection Volume II - Saint Seiya - Metal Gear Solid 4: Guns - PS3 - Best. - Song - Funny - So. - How. God of War Collection Volume II - [SciFi Movie] Movie Making in. Saints Row IV . The Official PS3 Slim version of Game of Thrones may have a slightly altered save file. If you already downloaded this version of the game, go to the PS3's main HDD and go to [GAME - DATA] (where your game is saved) and create a folder called "Game.of.Thrones". Inside this folder, make a folder called "Save.Game" and your save game will be located in "Save.Game/Game.of.Thrones". If you already have the standard version of the game, move all save data you find into the "Game.of.Thrones" folder. If you delete the normal game, you'll lose this game data. Since we won't have a legit version of the game anymore, we'll have to use the backup save. If you don't know how to do it, follow this guide: God of War Collection Volume II {BCES01277} PATCH 3.55 - God of War Collection Volume II {BCES01277} PATCH 3.55 - Ghost of War 1PATCH {BCES01277} PATCH 3.55 - 2d92ce491b
