New guide has been added for the AAC to MP3 conversion, this is located in Help->Video>. Recovery of encrypted OGG files if possible. President Donald Trump's immigration plan, which would offer citizenship to illegal immigrants if they go to the back of the line, has been revealed in a leaked copy. According to NBC News, the plan would add "a process by which they could apply for citizenship" in exchange for "going to the back of the line." The plan would allow illegal immigrants already in the U.S. to apply for legal status, while those who have already been deported would have to reapply for amnesty, and those who have not followed the rules could get deported. As Breitbart News has previously noted, Trump's plan "represents the most comprehensive outline of a White House immigration plan that has yet been made public." Read the leaked document here. There is a known microscope (for example, see Japanese Unexamined Patent Application Publication No. 2009-174993) in which a specimen is loaded into a specimen chamber having a specimen stage and a specimen observation chamber disposed in the state in which a sample surface of a sample observed under an observation optical system is in a horizontal position and an observation optical system is inclined with respect to the horizontal direction by a predetermined angle. In such a microscope, the sample surface is inclined by the predetermined angle, and the sample is observed by an inclination optical system, whereby the observation surface of the sample is observed in a direction inclined by the predetermined angle with respect to the optical axis of the observation optical system. I am so happy to report that I have received my second challenge published by the highly talented Bobby Betts! He has been blogging in this fine space for a year now and it is definitely time to give him some recognition. Bobby has challenged my fellow PU bloggers to write some serious haiku. This is one of my first real published haiku and I hope you enjoy it! Beautiful butterfly in a garden. As I walked home, a butterfly became a memento. The first two verses are pretty much self explanatory but here is a little explanation for the last one: "As I walked home" because I was using
