URL:., much to the chagrin of the project's creator. The puns are too subtle. Between his peculiar voice and catch-all wordplay, it's hard to get a feel for who is the true villain in this book. It gets bogged down in the ridiculous plots, and are frustratingly inconsistent. I'm glad to see the series end on a strong note. There were a few errors and omissions, but none were egregious. Had they been egregious, I would have marked this book with asterisks and deducted a star. There's a hell of a lot of gratuitous content in a book that is supposed to be thematic. I did not find the book boring – just the opposite. I'd say get the e-book and let's see where you fall on the rating scale. I guarantee you that it's all worth it. There are many bad things in this world and many more things that we are willing to tolerate in our lives. There are rampant problems in the world and in our communities that we all know about. There are a myriad of ideas concerning the "other" (non-Westernized people). My parents, for example, are not necessarily racist. I am not going to just slam my head into a wall because my parents come to mind. They are people and they live in a

country of people. In their own way, they are both of Japanese and Italian descent. They tried to learn Japanese and although they speak little they have a decent grasp of the language and the culture. They like Italian food. They are children of immigrants. Life is hard for people, for generations. Sometimes, it is not appropriate to spend time being sensitive to those who are victimized. Sometimes, we will not understand the experiences of another – whether they are experiences of time, or of place, or of class or of ethnicity or of religion. Sometimes, we might need to take a step

Under fire over alleged misuse of welfare money, the government has found a way to “reduce the pain” inflicted on the poor – by placing them at the bottom of the queue for treatment for chronic health conditions. A leaked report by the Care Quality Commission (CQC), the powerful watchdog which scrutinises health services, warns that the NHS is in crisis due to cuts in funding and increasing demand. It says the number of patients who cannot get the care they need is growing, with NHS England and Public Health England (PHE) failing to significantly improve life expectancy or quality of care. The only area where the review found substantial improvements was in emergency care. There are more than 9 million people in England who have long term conditions and 87% of the public say their condition is not being properly managed.

According to the 2018 NHS England Annual Plan, government funding has not kept up with demand, leaving the NHS under intense strain. With over 2 million patients waiting longer than four hours for a GP to see them last year, the NHS has been called out on its performance. This

includes a nearly 50% increase in the number of emergency
